

REINDEER

Color and cut out the head and the nose. Twist a pipe cleaner into a circle. Slip it onto your middle finger and twist it to form a ring you can slip on and off. Bend the rest of the pipe cleaner to fit the back of the reindeer's head and tape it down. Tape the nose's strap into a ring that fits snug on the front of your middle finger. Fold the nose to cover your finger tip. Put the head on first then, the nose. Now dash away, dash away, dash away, all!
